Satan's 7 headed scarlet beast aims to replace God's 7 Revelation Spirits

Satan imitates God's Righteousness to deceive with false doctrines. The 7 past kingdoms are followed by a resurrected 8th kingdom **[6th head: Roman empire + 7th head: little horn = revived 8th world Roman empire]**. The antichrist's system **[church & state agreements]** which has all beast attributes of past 7 kingdoms, now has a satanic prince and false prophet that gather the world & church organizations into Mystery Babylon **[E. Europe's 10 Communist Clay + W. Europe's 10 Capitalist Iron = United Nations of Europe]**. A religious world empire forms from the unrighteous pit of 3 frogs **[Catholicism, Communism, Capitalism]** leading the world into false peace that quickly turns into the great battle of Armageddon **[Revelation 16:13-15]**.
